Subtotal			\$659.00
Total due			\$659.00

Payment methods: Credit/Debit Card, Cash, Bank Transfer

Notes

Example prices for a local move. Not a rate per mile and not a binding estimate form.

Labor is 12 person-hours: three people for four hours, at an example \$42. If the clock runs long, add hours. Do not stretch the four-hour story to cover a six-hour day.

Travel between Pine and Cedar is its own line so it is not buried in the truck. The long carry is there because the start is a third floor with no elevator. A ground-floor to ground-floor job would drop that line.

The \$200 deposit reserved the date. This bill is the balance, due when the truck is empty.

Moves that cross a state line can involve extra paperwork. This sample is inside one city. Check the rules for the route you actually run, instead of copying this note onto an interstate job.
