Notes

Example prices for a wedding balance. Not a package you can buy from this page.
The $0 license line is there so the couple can see what they are allowed to do with the photos. Personal use covers prints and family sharing. A campaign, an ad, or a resale needs a different license and a different price.
Retainer of $1,000 was collected to hold the date. This invoice is the rest, due 14 days after the gallery goes out.
Write the usage you actually sold. Do not leave the sample sentence on a real bill.
